Auditor General for Wales' Audit Certificate and report

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2022 of:

Rhayader Town Council

Auditor General's report

Audit opinion – Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis for Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement has been prepared in accordance with proper practice and whether it properly presents the Council's receipts and payments and financial position for the year:

- The Council has not provided the information required for me to complete my audit regarding staff costs. The Council was unable to provide a contract of employment for the employed caretaker.

Annual Governance Statement

In my opinion, the Annual Governance Statement is inconsistent with the Council's governance arrangements for the year

- Assertion 1 – effective financial management. The Council has not completed any VAT returns. We recommend that the Council complete VAT returns and keep up to date with the relevant VAT guidance issued by HMRC and One Voice Wales.
- Assertion 3 – noncompliance with laws, regulations and codes of practice. The Council has not provided evidence that a budget has been set in accordance with the Local Government Finance Act (1992) and that the precept has been set in line with the budget. The Act requires the Council to take into account its level of reserves when setting its budget requirement. I recommend that the Council sets a budget in accordance with the relevant regulations and codes of practice.

Other matters arising and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the body.

Transparency

The Council should ensure that meeting minutes, supporting papers and decisions are published. The Council should ensure that they also publish the register of Members' interests on the Council's website. The Council should ensure that they publish full copies of its prior year annual return including the accounting statement, AGS and the audit opinion.

I recommend that the Council publishes all relevant information relating to Council business on its website in the interest of being open and transparent.

Approval of settings fees and charges

The Council has not reviewed its fees and charges in the 2021/22 financial year. The Council should formally confirm on an annual basis all fees and charges set by the Council.

There are no further matters that I wish to draw to the Council's attention.
